

Internet Resources

Fantastic Fiction

<http://www.fantasticfiction.co.uk/>

An exhaustive list of fiction books listed by author's last name. Series books are grouped and publication dates are also provided.

What Should I Read Next?

<http://www.whatshouldireadnext.com/>

Enter a book you like and the site will provide book recommendations and suggestions for what to read next.

Whichbook

<http://www.openingthebook.com/whichbook/>

A site that lets you set parameters like short vs long, happy vs sad, gentle vs violent, conventional vs unusual, and then gives you book suggestions based on your choices.

Book Seer

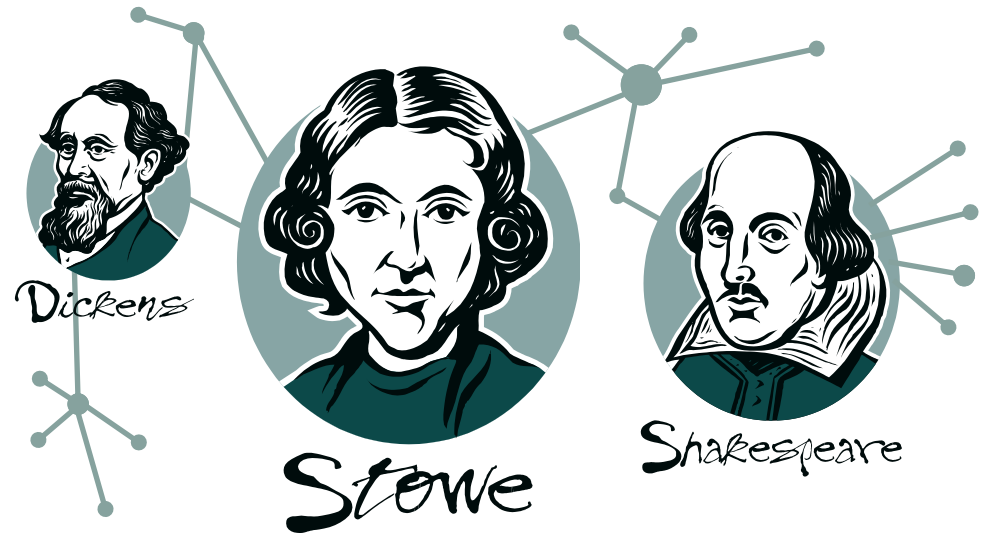

<http://bookseer.com/>

A quirky book recommendation site that predicts which book you should read next by considering the last book you read.
